EU Quality Assurance Certificate

Pursuant to Regulation (EU) 2017/745 on Medical Devices, Annex XI, Part A

The Notified Body of TÜV NORD CERT GmbH certifies that the manufacturer

Clemondo AB
Makadamgatan 16
254 64 Helsingborg
Sweden

has established, documented and implemented a quality assurance system in accordance with Article 10, paragraph 9 / article 22 for sterile procedure packs, of Regulation (EU) 2017/745 on medical devices. Details on device categories covered by the quality management system are described on the following page(s). The conformity assessment has been carried out and successfully completed in accordance with Annex XI, Part A. The result of the assessment, references to investigations carried out, relevant common specifications and test reports are summarised in the report mentioned below. With an exception for sterile procedure packs, the quality management system assessment was accompanied by the assessment of technical documentation for devices selected on a representative basis.
The validity of this certificate is based on the maintenance of the quality management system in accordance with the requirements of the Regulation and its regular surveillance by the Notified Body in accordance with Annex XI,7. For devices of class III, IIb and IIa the surveillance assessment shall also include an assessment of the technical documentation for the device or devices concerned on the basis of further representative samples.

In addition to the CE marking, the identification number of the Notified Body shall be affixed by the manufacturer to the devices.

For the placing on the market of class III devices and class IIb devices an additional EU type examination certificate according to Annex X is required.
